

Overall champion at ECONVERGENCE 2017

Represented by Grade 10 students, DLSU Integrated School was hailed as OVERALL CHAMPION at the ECONVERGENCE 2017 organized by the UPLB Economics Society.

The event was held from February 4 to 6 at the University of the Philippines Los Baños.

Selected student representatives participated in five events and won in their respective competition and finished as Overall Champion among the 14 participating schools in the annual interschool tournament.

ECONVERGENCE is an annual economics convention that aims to promote and enhance economic literacy and social awareness in the high school level. Various competitions provided students the opportunity to showcase their knowledge in the application of economic concepts.
