## DLSU Library Rates 4

The Philippine Accreditation Association for Schools, Colleges and Universities (**PAASCU**) gave a rating of 4.00 to the library in its recently concluded survey for the Liberal Arts, Science, Education, Business and Economics and Accountancy programs. The PAASCU team cited the on-line global access to thousands of periodical titles with full-text articles and the availability and relative ease of using computer hardware and software, adequacy of AV equipment and materials which provide state-of-the-art services to the library users as the library's best features. The team also commended the well designated, richly furnished, and regularly updated collections of the European and American Studies areas.

### Wireless Network Access Now Available

Effective June 17, DLSU students, faculty, and employees who have personal laptop computer with **PCMCIA** slot and compliant with the **IEEE802.11b standard** can borrow wireless network card. Users are allowed to use wireless cards for a maximum of 4 hours at the reading areas on the 2<sup>nd</sup> and 4<sup>th</sup> floors of the library. Battery-run laptop computers are preferred due to the limited electrical outlets at the designated areas. Interested parties may borrow cards from **Bing Dancalan** or **Melton Jo** at Room 203 starting at 8:00 A.M.

The team recommended a vigorous program to fill the gaps in the book collection as reported in the recent assessment and to continually update the Reference and General Collections. The team further endorsed a comprehensive acquisition program for the Filipiniana collection, and efforts for the library to be represented in the University Academic Council on matters pertaining to curricular shifts and/or introduction of new programs, for the relocation of the museum pieces in the Special Collection to allow expansion of the reading and shelf areas; and for a review of the position classification of assistant librarians to upgrade salaries and to bring hiring rates to competitive levels.

### American Society of Testing and Materials (ASTM) of Pennsylvania Donates Books

Through the efforts of **Bro. Joseph Schieter** of the Physics and Science Education Department, **Ms. Ellen McGlinchy** of the American Society of Testing and Materials, Pennsylvania had donated books for La Salle Schools. 866 volumes of books mostly related to science, engineering and technology were donated to DLSU-Manila Library. The books cost about \$60 each. Our heartfelt gratitude goes to Bro. Schieter and Ms. McGlinchy.

### Bibliographic Instruction for Library Users

Every beginning of the trimester, the library faculty take turns in giving bibliographic instruction. This June, they handled 27 classes of English 1 students, 25 classes of English 2 students, freshmen graduate students of CBE, CCS, CLA, COE, and GSB, and four

classes taking up Methods of Research. The students were informed of the library's services, programs, and resources. They were also taught how to use the OPAC (T-series and CDS-ISIS), to do on-line search, and access e-journals.

## The DLSU Library Gifts and Exchange

by Willian S.A. Frias

The De La Salle University Library Gifts and Exchange Program further widens its horizon in 1997 when **Bro. Andrew Gonzalez**, then the DLSU President, recommended the inclusion of the top 50 universities in Asia and the Pacific as potential exchange partners. In school year 2001-2002, the said program added 98 more local institutions, primarily members of the consortia where DLSU is a part of and provincial state colleges and universities. Because of this move, the program received a major improvement as far as partner responses is concerned. The **active exchange partners** with their corresponding publications are listed below.

## DLSU Art Gallery, In a State of Flux

Because of the impending transfer of the art gallery to the new Enrique T. Yuchengco Hall, exhibitions have been temporarily deferred. During its inauguration, there will be an exhibit on the times and life of Ambassador Yuchengco and his forebears based on the timelife as published in his book, after which, mobile sculptures based on the fulcrum will be shown. This promises to be exciting because it is the first of its kind.

This change of venue will definitely affect the way exhibitions will be done, and this remains to be seen and done.

## Library donates to DLS-AU

The library donated materials to DLS-Araneta University through Dr. Judith Aldaba, DLS-AU Vice President. The materials composed of 340 volumes of books, 31 bound journals, manuals, year-books, pamphlets, catalogs, and beta tapes.

Man's actions are the picture book of his creeds.

## Faculty and Co-Academic Personnel (CAPS) **news**

**Frias Finishes Master's Degree - Willian S.A. Frias**, Collection Development Librarian, finished her master's degree from the Institute of Library Science, University of the Philippines last summer. She successfully defended her thesis entitled "The Impact of Library Automation to Organization and Personnel as Perceived by the Library Staff of Selected Academic Libraries in Metro Manila: a Cross-Cultural Study". She attended the workshop on "E-Publishing Trends and Issues: Implications for Library Collection Development and Service" at the Ateneo de Manila University (ADMU) Rizal Mini Theater on May 10 – 11.

**Library Personnel Discusses Plans-** The library personnel gathered on June 4 to watch and listen to the director and heads of the different service units present and discuss reports of the past year's activities and plans for the coming school year.

**Lim is New Filipiniana Librarian – Cynthia Lim**, former Circulation-Reserve Section Librarian, took over the position vacated by **Evelyn Ferma** as Filipiniana Librarian effective June 15. **Yolanda Odsinada**, the head of the Readers Services Unit, oversees the operation of the Circulation Section in the meantime.

**Ferma Migrates to USA - Evelyn Ferma**, former Filipiniana Librarian, migrated to Seattle, Washington, United States with her husband and three kids this June. E. Ferma worked in the library for the past 20 years. We wish her and her family all the luck.
