Dear Colleagues and Friends,

Warm greetings from PAARL!

The Philippine Association of Academic and Research Librarians (PAARL) is pleased to invite you to its Summer Seminar-Workshop on the theme "Librarians at their Best: Envisioning and Realizing Multilevel and Progressive Reader's Services". This is the third of the series of continuing professional education activity lined up for the year which will be held on April 29 – May 1, 2009 at the Lyceum of Aparri, Cagayan Valley.

The theme is geared towards meeting the following objectives:

1. To revitalize the participants on the core concepts of Reader's Services through optimal use of web-based technologies and integration of multi-channel interaction strategies and approaches to patrons of dynamic cultures and preferences.

2. To discuss the close association between readers and librarians in creating valuable and productive Reader's Services programs and activities.

3. To brainstorm, benchmark and draw recommendations that will best sustain and facilitate the exceptional functions and crucial role of Reader's Services in shaping the minds and values of library patrons.

*For live-in participants, a seminar fee of **Php4,000** will be charged inclusive of 3days/2nights accommodation with meals and snacks, seminar kits, handouts, cultural tour and certificates. Likewise, **accompanying persons** of live-in participants will be charged **Php3,000** to cover the cost of accommodation with meals and snacks and cultural tour. For **live-out participants** who wish to arrange for their own accommodation, seminar fee is **Php3,500**.*
