Whereas, students have the right to participate in policy making (De La Salle University Students' Charter, Chapter IV);

Whereas, the Student Council, being the sole and the highest representative of the student body and being the highest form of expression of student power on campus, shall have the right to participate in the formation of school policies directly affecting the students (De La Salle University Students' Charter, Sec. 3.d, Student Handbook 2003-2006);

Whereas, within 90 days after the approval of the Student's Charter by the respective Administrative parties, all sectors of the University, including the students, shall promulgate the necessary rules and regulations to implement the provisions of the Student Charter (De La Salle University Students' Charter, Sec. 37, Student Handbook 2003-2006).
