FORMAT for the BODY of the HUMANITIES RESEARCH PROPOSAL

Research and Grants Management Office (attach to the first 7 pages above)

### I. Research Title

### II. Proposal Abstract (50-100 words)

 What do you intend to do? Briefly discuss the statement of the problem, general and specific objectives, and methodology.

### III. Background of the Study & Review of Related Literature

 Discuss the previous studies done on the subject as well as the theoretical problems/issues concerning the subject

### IV. Statement of the Problem & Objectives

- Present the central theoretical/literary question(s) that the study intends to explore and answer, or the proposition that the study intends to expound on or prove
- Break down the central question/proposition into the specific areas of inquiry called for by the study's framework

### V. Significance of the Study

 How will your proposed study significantly contribute to the existing body of knowledge in your chosen field of study?

#### VI. Theoretical Framework

- Discuss adequately the proposed theoretical framework and the key issues/terms/ideas to be utilized in the study.
- Ensure that:
  - the theoretical framework is compatible with the subject of inquiry.
  - the proposed theoretical framework is aligned with the current critical/theoretical paradigm in the field.

#### VII. Methodology

- Ensure that:
  - the methodology is homologous to the proposed theory.
- Describe the procedures for data collection and analysis, and how possible ethical issues/concerns will be addressed in the conduct of the research. (Provide response whenever applicable)
- Attach a copy of the proposed/piloted data gathering instrument (e.g., survey/questionnaire, interview/FGD guide, checklists, etc.).

## **RESOURCE PLAN**

#### I. Workplan

Duration of the entire project (number of terms) \_\_\_\_\_

\_\_\_\_\_ hrs./week

 Number of hours per week proponent(s) expect to work on the project and research units: Note: Research units are computed as 56 hours of actual research work per term of 14 weeks for one research unit (meaning 4 hours/week equals 1 research unit). However, the decision on what constitutes a reasonable number of hours for work on the project rests upon the College Research Council.
