EXCELLENCE BEYOND BOUNDARIES.

Shattering records and breaking trends are not just about numbers and statistics. They speak about something more relevant, something more important.

IT'S ABOUT EXCELLENCE.

And this is what the De La Salle University – Office of the Counseling and Career Services (OCCS-Career Services) has been driving for the past so many years in meeting the recruitment needs of the industry and career advancement of Lasallians.

With 130+ participating companies last February 2009, OCCS-Career Services looks on to the next Job Expo challenged to exceed the streak of accolades it received for having organized such successful events.

It is with continued pursuit of EXCELLENCE that we proudly invite you to join the De La Salle Job Expo July 2009.

WHAT'S IN STORE FOR YOU?

Recruitment booths will be stationed at the Yuchengco Lobby – the heart of the campus. Your representatives can distribute recruitment forms, interact, and respond to questions raised by Lasallians applying for career opportunities.

Participation in the Job Expo July 2009 also means participation in the Scholarship Endorsement Fund which the OCCS-Career Services has established in 2008.

An event you wouldn’t want to miss!
EXCELLENCE BEYOND BOUNDARIES.
Producing Lasallian Achievers for God and country...since 1911
- The FIRST Philippine university to earn the Level 4 Accreditation – the highest level granted by the Philippine Accrediting Association of Schools, Colleges, and Universities (PAASCU) in 2002. Three years ahead of the next university.
- The FIRST private university in the entire Southeast Asia that is a member of the ASEAN University Network (AUN) composed of the region’s 20 leading universities.
- Houses 11 Centers of Excellence and 4 Centers of Development as conferred by the Commission on Higher Education (CHED).
- A CONSISTENT top-performing school in the Licensure Exams for Accountants and Engineers.
- Commissioned to construct the Philippines’ FIRST EVER Solar Car.
- CHED’s Commissioned Zonal Research in the National Capital Region.
- Has an extensive linkage through competitions, career programs and services, curriculum development, and various more activities.

6 DISTINCT COLLEGES. 6 EXCELLENT FIELDS.

**College of Computer Studies**
The country’s Premiere and Center of Excellence in Computer Science, CCS is also the FIRST choice of the top-billed IT companies in establishing linkages and programs.

**College of Engineering**
Home to the country’s first ever SOLAR car, COE boasts of its internationally-recognized faculty and curriculum known to produce Engineering Board Exam toppers and industry practitioners. Not to mention the Level III PAASCU given to its degree.

**College of Business and Economics**
Impressive business education curriculum supplemented by first-hand experiences by practicing professional faculty members are guarantees to the brand of Lasallian business leadership. So where else do we get business leaders and policymakers who mean business? Not from the best, but from THE business school, De La Salle.

**College of Liberal Arts**
Known to produce broadcast journalists, acclaimed movie directors, Palanca awardees, national artists, and top industry practitioners. Liberal Arts is at its best here in De La Salle.

**College of Education**
Brilliant educators who not only teach and develop excellent curriculum, but imbued with the De La Salle brothers’ philosophy of Teaching Minds, Touching Hearts, and Transforming Lives.

**College of Science**
Superb facilities, highly reputable faculty and a well-developed curriculum equate to excellent scientists and outstanding research outputs produced by CCS.
