*... Providing students with the opportunity to directly contribute in nation building*

---

**NATIONAL SERVICE TRAINING PROGRAM**
The National Service Training Program (NSTP) is a curriculum requirement for all college students under Republic Act (RA) No. 9163. The law provides an opportunity for the youth to directly contribute in nation building. Under the program, first year Lasallian students have the option to take either the Reserve Officers' Training Corps (ROTC) or Civic Welfare Service Training Service (CWTS).

- **ROTC** deals with military training that will motivate, train, organize, and mobilize students/youth for national defense preparedness.

- **CWTS** provides an opportunity for students to share their time, talent, energy, and resources with marginalized communities/sectors.

### Course Components

#### ROTC

The ROTC is implemented in two phases with each phase a pre-requisite to the other.

**Military Science (MS) 1: ROTC Common Module**
- Basic knowledge and principles of military service which include subjects on Military Orientation, Combat Training, Basic Weapons Training, First Aid/Basic Life Support, Civil Military Operations, and Marksmanship Training.

#### CWTS

Like the ROTC, CWTS is implemented in two phases with each phase a pre-requisite to the other.

**Formation Phase (C1)**
- Classroom sessions and field exposures to equip students with basic knowledge, skills, and attitude in community service.

**Community Service Phase (C1)**
- Actual community work through the implementation and completion of short-term community development projects.

**Deployment Areas**
- Depressed/poor communities within Metro Manila and nearby provinces in Southern and Central Luzon.
