COMMENTS / EVALUATION SUMMARY

Signature of panel chairman over printed name / date
Name of Panel Chair

Signature of co-panelist over printed name / date
Name of Co-Panel

Signature of adviser over printed name / date
Name of Adviser

Note: The grade points between the two panel members should not exceed ten points. Neither should the difference between the TOTAL PANEL GRADE and the ADVISER'S GRADE exceed ten points. If there is such a difference, the parties should discuss the situation until the spread is reduced to ten and below. In case of a deadlock, the MOD Chair (ACM Program Head if MOD Chair is part of panel) steps in to make a decision, which is final and non-appealable.
