

THESIS PROPOSAL APPROVAL SHEET

We have examined the thesis proposal entitled Thesis Title defended 1 January 2011 by Student name/s. We are satisfied with the revisions made and thus approve the proposal in its current form. Any changes between this approved version and the thesis manuscript requires the express approval of the faculty adviser. However, should in the course of data gathering the proponents decide to make material changes to this proposal, the revised paper will have to be re-defended before us, notwithstanding the adviser's approval. In any case, the proponents must highlight the changes between the approved and revised version on a separate sheet to be inserted in the thesis manuscript.
