

INVITATION: ARCHELA 2017

The Council of Student Organizations Science and Technology Complex, DLSU-Parents of University Student Organization (DLSU-PUSO) and the DLSU Integrated School Student Council invites you to watch.

ARCHELA : Music and Arts Festival 2017

March 17, 2017 (Friday) 10:00AM onwards at DLSU-STC Quadrangle

This is an annual music and arts festival that features different genre of music and art workshops.

This year's theme is BOHEMIAN, a mix of indie, youthful and gypsy atmosphere. It will be an eventful day starting with different art booths and exhibits, which include calligraphy, face and body paint, archery, pottery, a paint exhibit, film showing, kite flying, and an open mic session.

The highlight of this event is the showcase of Lasallian talents from DLSU-STC and invited guests. Performances of our country's famous bands such as Mayonnaise, Hale and Silent Sanctuary will be the highlight of the event and will end with the rave party.

The poster for the ARCHELA Music and Arts Festival 2017 features a dark purple background with a white, hand-drawn cloud shape in the center containing the event title. The text is arranged in columns around the central graphic. At the top, logos for the Council of Student Organizations (CSO), DLSU-Parents of University Student Organization (DLSU-PUSO), and the DLSU Integrated School Student Council (DLSU-ISTC) are displayed. The poster lists various sponsors, including media partners, major sponsors like ISUZU and hawK, minor sponsors like iflix and IMA, and bronze sponsors like 18 Days Coffee and Pixie's Moon Leaf. It also provides contact information for Camille Dizon and Ricci Grapilon, and details about the open-mic session and the festival's location and timing.
