Dear President Laguda :

I am pleased to inform you that the Taiwan's International Cooperation and Development Fund (TaiwanICDF) has started accepting applications for the 「2013 International Higher Education Scholarship Program (IHESP).」 IHESP offers a total of 27 programs conducted entirely in English, 8 of which are for undergraduate students, 17 of which are for master's students and 2 are for doctoral students.

The IHESP will provide each prospective recipient with an economy class roundtrip air ticket and a monthly stipend for the duration of their educational program in Taiwan. To download each program offered by Taiwan's higher educational institutions, please visit: <http://www.icdf.org.tw/ct.asp?xItem=12505&CtNode=30316&mp=2>. To download the TaiwanICDF online application form please visit: <http://www.icdf.org.tw/TSP/Register.aspx>. Please Note that intended applicants must submit their applications to my office for preliminary screening before the required respective deadline. To boost their applications, interested applicants are required to submit all of the supporting documents required by their respective chosen colleges and universities. Our office will announce the results in late June.

Enclosed please find copies of the list of IHESP programs and the application procedure for your reference. I believe that you will be pleased to share and have your staff to disseminate this information to those interested in pursuing advanced studies in Taiwan. Should you have any questions regarding this matter, please feel free to instruct your staff to contact Mr. Edward Tai of the Political Division of my office at (02) 887-6688 ext. 105 or via email: chtai@mofa.gov.tw.

Sincerely yours,

Ambassador Raymond L.S. Wang
Representative

Application Procedure

The annual application period runs, in principle, from January 1 to March 15 (for 2013 Scholarship programs, the application period runs from January 4 to March 15, 2013)

Applicants should submit the documents listed below to the ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office/ Taiwan Technical Mission or project representative in their country. Applicants must ensure that they submit accurate and complete documentation; failure to do so will result in the application not being processed. Please also note that late submissions will not be accepted and/or processed.

1. A completed application form (completed online, printed out and signed)

Please note: The online application system will be closed on March 15. Please complete the application as earlier as possible.

2. A photocopy of applicant's passport or other document showing proof of nationality.

3. A photocopy of applicant's highest-level diploma and academic transcripts.

Please note: If not issued by a Taiwanese educational institution, these documents must be authenticated by an ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office, or be sealed and delivered by the awarding institution. If these documents are in languages other than Chinese or English, a Chinese and/or English translation should be provided.

4. A photocopy of applicant's English proficiency certificate.

Please note: This means a TOEFL test score or that of another recognized English proficiency exam, or documents certifying that the applicant has graduated from a program where all courses were taught in English. Applicants who are unable to provide such proof of English proficiency due to special circumstances may be assessed for English proficiency by an ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office/ Taiwan Technical Mission or project representative via interview or other forms of testing. Applicants whose official national language is English are exempt from needing to supply these documents.

5. A Taiwan ICDF Medical Report (including an HIV test) dated within the the past three months.

6. Two letters of reference.

7. Any other documents specifically requested by an ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office/ Taiwan Technical Mission or project representative.

In addition to the above documents requested as part of their scholarship application, applicants should also submit all documents required by the TaiwanICDF partner university that they are applying to before the admissions deadline of that university. For detailed information on such documents, please refer to the individual enrollment websites for TaiwanICDF Scholarship Partner Universities.

The ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office/ Taiwan Technical Mission or project representative will conduct a first review of applicants based on the eligibility requirements and selection criteria of the TaiwanICDF, and then submit their list of recommended applicants to the TaiwanICDF no later than March 31 each year.

A second review of the qualified applicants will be conducted by an academic committee organized by the individual partner university in joint cooperation with TaiwanICDF representatives. Such reviews will be based on each university's selection criteria, whilst also accounting for the eligibility requirements and selection criteria of the TaiwanICDF.

After the second review has been conducted in cooperation with all partner universities, the TaiwanICDF will announce its list of scholarship recipients, in principle, no later than June 30 each year. Successful applicants will receive an acceptance letter through the ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office/ Taiwan Technical Mission or project representative to whom they originally applied.

Please note: Gaining admission from the university does not necessarily mean that the applicant has also been given a TaiwanICDF scholarship. Only the applicant who receives the acceptance letter issued by the TaiwanICDF is the scholarship recipient.
