

About AELOGICA (Philippines), Inc.

Founded in 2010, AELOGICA provides expert software team augmentation for web and mobile application development and serves clients primarily in the US and Australia.

Recognized as the nation's top employer of Ruby developers, you will be part of a leading global development team, with a culture that strives to attract top talent, provides rapid growth opportunities, and seeks to collectively approach our work with a high level of craftsmanship.

We invite you to apply as a Software Developer. We are looking for candidates who have a firm grasp on full stack web application development fundamentals and have experience working primarily in Ruby on Rails and JavaScript. We are willing to train suitably talented developers in our core stack.

Duties & Responsibilities:

- Work on a variety of projects including client work and internal product development;
- Closely collaborate with team members and project stakeholders to solve business problems with software;
- Fix issues reported in production environments;
- Quickly understand new domains and learn new technologies;
- Clearly communicate intentions with team members and project stakeholders;
- Confidently speak and write about technical matters clearly and precisely in English;
- Perform other related tasks as assigned

Minimum Qualifications:

- At least 6 years of professional software development experience;
- At least 2-4 years of recent, full-time, and full-stack web development;
- Ruby on Rails experience is strongly preferred;
- Must have experienced building and deploying an app;
- Competent with all levels of a web technology stack;
- Effective working habits;
- Strong communications skills (verbal and written);
- Strong analytical, planning, and problem-solving skills

Required Skills

- Ruby on Rails
- Node.js
- JavaScript
- Python
- SQL
- Linux

Preferred Courses

- Computer Science [Software Technology]
- Computer Engineering
- Information Technology

Should you be interested to apply, please email your CV and Cover Letter to jacqui@aelogica.com OR jobs@aelogica.com

We look forward to processing your application and welcoming you to our team!

Successful candidates are expected to become Team Leaders, Mentors, and Senior Technologists in our organization within 1 year.
