Greetings of HOPE and PEACE in St. La Salle!

Effective Term 2 of AY 14-15, a priority seating system among students will be implemented for the Arrows Express line servicing STC and the Manila Campus. The following will be prioritized among the student passengers:

- 1) Students forced to enroll inter-campus due to dissolved classes or other program concerns.
- 2) Students who use laboratories for inter-campus classes and research work.
- 3) Students who are on official student affairs business.

Implementing guidelines will be issued prior to Term 2.

We would be happy to receive your questions and feedback which you may e-mail to campus.services@dlsu.edu.ph
