

**Company name:** MEGAWORLD CORPORATION

**Company background:** Megaworld Corporation, the country's premier urban township developer, has launched more than 300 residential buildings, office towers, commercial centers and hotels. Constantly growing through innovation, Megaworld's extensive sales network is now expanding into Europe, USA and the rest of Asia.

We are first movers and trendsetters in the real estate industry, and are committed to maximizing the potential of every individual. We are not just building communities, we are also building dreams. With us, you'll face new challenges, find better opportunities, and reach new heights of career growth.

**Job vacancies:** Property Specialties

**Job description:** As part of our highly competitive Sales team, you will be the driving force behind Megaworld's leadership in urban real estate development and sales.

We value our Property Specialists as business partners, and in turn, they show us expertise and mastery in the relationships they build with our clients, their understanding of the industry, and a passion for our projects. Together with our Marketing team, our Property Specialists provide utmost customer satisfaction and consistently produce effective and efficient sales and marketing campaigns.

**Qualifications:** All fresh graduates are welcome come to apply
