ASEAN Credit Transfer System (AUN-ACTS) ASEAN University Network

What is AUN-ACTS?

The ASEAN Credit Transfer System (ACTS) was initiated by the ASEAN University Network (AUN) with the primary objective of facilitating student and academic mobility in ASEAN. The system has been managed through the AUN-ACTS Secretariat which hosted by Universitas Indonesia since 2010. Its main objective is to create common mechanisms to facilitate the recognition of qualification and increase student and academic mobility in ASEAN. Students can enjoy the exchange experience along with opportunity to obtain the credits from the host universities.
