Student Exchange Program University Placement (StEP UP)

Student Exchange Program at UNILASALLE RIO DE JANEIRO
Semester 2 (February/2017 - July/2017)

What is in store for you at Unilasalle - RJ?

"The Network La Salle is a project of the Institute of Lasallian Brothers. Our proposal is based on the educational principles of St. John Baptist de La Salle, French priest (1651 - 1719) who waived all privileges of their status as noble, dedicated to the creation of schools for the children of the lower classes. His first school was founded in 1679. From France, the acting of the Brothers spread throughout the world. La Salle University – Rio de Janeiro offers a vibrant learning atmosphere in one of the best cities to live in the country, just 13 kilometers away from Rio de Janeiro.

With its presence in Brazil dating back to 1907, La Salle offers its student body a modern infrastructure, laboratories, classrooms, one of the largest private libraries in the state and a faculty with 97% of teachers with master's and doctoral degree. We're committed to high-quality education with an emphasis on social responsibility in everything that we do. We are confident that international students will find that our university and its international office are ready to provide a fantastic learning and cultural experience in Brazil." - Please refer to the presentation for further information about UNILASALLE-RJ at these links: <http://www.dlsu.edu.ph/offices/evperi/announcements/unilasalle-jr-presentation-2016.pdf>
