2016 European Summer Program (ESP) Université Catholique de Lille, France

What is in store for you at Université Catholique de Lille, France?

Located in northern France, Lille is ideally placed at a crossroads of Europe, with quick access by train to the capital cities of Paris, Brussels, and London. Founded in 1875, and now hosting a population of 25,500 full-time students, the *Université Catholique de Lille* is the largest private, not-for-profit university in France, with an urban campus located in the heart of this vibrant city, within easy walking distance of the cultural and commercial centre, ample green space, and more.

What is the ESP?

The **European Summer Program** is designed for international students looking for a short study abroad experience in Europe. ESP offers sessions both in June and in July, with courses in and across various disciplines for which students may transfer credits back to their home university if they so wish. A comprehensive hospitality package is included, as well as cultural activities, such as French film nights and day trips to Bruges and Brussels.
