About Sophia University

For more than 100 years Sophia University has been a vital link between Japan and the world. The university attracts students and scholars from around the globe who form the core of a global academic network. As a magnet for top-notch researchers, Sophia excels in a variety of fields, including Japanese Studies: the school publishes Monumenta Nipponica, one of the oldest and most respected academic journals in the discipline. With such a range of talent and resources at your command, your stay at Sophia will be highly stimulating and provide you with valuable insights in East Asian cultures and contemporary affairs.
