*announces the opening of application for*

## **Scholarships for Korea Development Institute (KDI) School of Public Policy and Management**

### **Description**

The KDI School was founded as an affiliated educational institution of the Korea Development Institute (KDI), a premier government economic think tank at the forefront of social science research for the past 40 years. Drawing from the resources of the institute, the KDI School provides exceptional education that combines current academic theories with comprehensive and innovative practical research to support the national vision and key policy agendas. All lectures are conducted in English by renowned faculty with established credentials in the public and/or the private sector attracting many international students around the globe.
