RE : Integrated School Opening - SY 2020-2021

The COVID-19 pandemic has taught us to adjust and make use of innovative means to cater to the needs of the community. Even if the ECQ is lifted and adapt severe measures to ensure the health and safety of our students while in campus, it will take some time before we can all comfortably resume to the regular face-to-face classes and operations. However, learning must continue despite these unfortunate circumstances.

With consideration to the Department of Education's guidelines on the opening of classes for SY 2020-2021 and the University's capability to deliver online courses to the students, the administration has deemed that the SY 2020-2021 for Integrated School shall proceed as follows:

July 1, 2020	Senior High School Manila and Laguna
July 13, 2020	Preschool, Grade School, and Junior High School

Senior High School classes shall be delivered through AnimoSpace (CANVAS) while a new Learning Management System (LMS) for Preschool, Grade School, and Junior High School shall be launched before the start of the academic year. The Office of the Integrated School Principal will provide further details on the optimal and convenient way of learning for all, in the next coming weeks.

Similarly, the enrollment period for Integrated School will be as follows:

June 8 to 20, 2020	Senior High School Manila and Laguna
June 22 to July 3, 2020	Preschool, Grade School, and Junior High School

The Office of Academic Services for Integrated School (OASIS) shall be publishing an announcement on the details of the tuition and fees, release of Enrollment Assessment Forms (EAF), and enrollment procedure before the above-mentioned enrollment periods. For inquiries, you may contact oasis@dlsu.edu.ph.

In spite of these challenging times, we look forward to another fruitful year of teaching and learning. Together, let us move ahead and prevail over this pandemic with the new normal of blended learning.

Thank you.
