RE : Lasallians A.C.T. Bulletin #3: Large gatherings on campus

In our effort to minimize exposure to risks related to the Covid-19, departments, offices, and student groups that will organize large gatherings on campus are required to exercise due diligence and take precautionary measures.

Reminders:

1. Get a briefing from the Security Office and Safety Office on the University's security and safety protocols.
2. Inform attendees that thermal scanning is done at the gates and that they should allocate extra time for the said procedure.
3. Guests who exhibit respiratory symptoms (cough, fever, or shortness of breath) or are recovering from sickness will not be allowed to attend the event.
4. Guests who have recent history of travel to China, Hong Kong, or Macau will not be allowed to attend the gathering.
5. Regularly monitor official university announcements on Covid-19 and reliable and official sources such as the WHO via <https://www.who.int/emergencies/diseases/novel-coronavirus-2019> and the DOH via <https://www.doh.gov.ph/2019-nCoV>

Thank you.
