29 May 2020

TO : **The Academic Community**

FR : **Dr. Arnel Onesimo O. Uy**
Vice Chancellor for Administration

RE : **General Community Quarantine**

On June 1, 2020, the National Capital Region will transition to General Community Quarantine (GCQ). The community is urged to observe the COVID-19 IATF GCQ guidelines. The safety of the members of the academic community is our primary concern and everyone is still encouraged to stay home.

The Manila, Makati, and BGC campuses shall remain closed until June 14, 2020 to give way for proper sanitation and cleaning. Moreover, the Enrique Razon Sports Center, which was used as a safe shelter during the enhanced community quarantine, shall also remain closed after June 14, 2020 until sanitation and cleaning procedures have been completed.

By June 15, 2020, access to the abovementioned campuses shall be restricted to identified personnel requiring presence on campus, as the University still observes the interim work-from-home arrangement.

Access to campus for admissions and enrollment activities will be announced separately.

The University shall also implement enhanced hygiene and physical distancing protocols in preparation for the resumption of work and classes should conditions allow for it. These hygiene and physical distancing protocols include health screening measures, wearing of personal protective equipment, promotion of responsible hygiene habits, proper waste management, management of spaces, office and classroom density policies, regulated campus mobility guidelines, and well-planned scheduling schemes, among others. The details of these will be announced soon.

Thank you and I continue to pray for you and your family's health and safety.
