**PART 2: RECOMMENDATION**

☐ **Accepted;** no changes required

☐ **Accepted with Minor Modifications**

The thesis is accepted with minor modifications if it requires only any of the following:

- reformatting of chapters
- improvement in the declarations of research objectives or statement
- insertion of missing references
- amendment of inaccurately cited references
- minimal improvement in spelling, grammar, syntax and presentation.

☐ **Accepted with Major Corrections**

- major revision of the literature
- major improvement in the description of the methodology, statistical analysis of the research data, re-presentation of written data in the form of figures or tables
- improvement in the discussion of results and extensive improvement in grammar, syntax and presentation

☐ **Rejected**

**Major Flaws:**
