

COURSE CODE: **FIN610M**
COURSE TITLE: Trading Software & Programming
DEPARTMENT: **Financial Management**

TEXTBOOK:

- Anderson, D. (2016). An Introduction to Management Science: Quantitative Approaches to Decision Making. Boston, MA: Cengage Learning.
- Hilier, H., & Lieberman, G. (2015). Introduction to Operations Research. New York: McGraw-Hill Education.
- Rardin, R. (2017). Optimization in Operations Research. Upper Saddle River, NJ: Pearson Education, Inc.
- Winston, W. (2016). Practical Management Science. Boston, MA: Cengage Learning.
