Course Code: ACETHIC

Course Title: Ethics and Corporate Social Responsibility for BA

Course Description:

This major course ACETHIC, **Ethics and Corporate Social Responsibility for BSA**, is designed to inform and stimulate thinking on issues of ethics and social responsibility encountered in business. The material covered is intended to prepare students to recognize and manage ethical and social responsibility issues as they arise, and to help them formulate their own standards of integrity and professionalism. Moreover, this course deals with accounting ethics fundamentals which introduce the various ethical frameworks that may help provide decision points based on rules, laws, and other important ethical perspective including the Accountants' Code of Professional Ethics, the Corporate Governance Guidelines among others.

Department: Accountancy
