## De La Salle University

## Connect to DLSU Network Folder

## Step 1:

On the Desktop, double-click on the 'My Network Folder' icon. This will allow you access to your personal folder in the DLSU Network.

## Step 2:

Select your college from the drop-down menu. Supply your MLS user name and MLS password.

> | Note: To be able to |
| :--- |
| connect to your DLSU |
| Network Folder, you must |
| have an active My.LaSalle |
| account. |

## Step 3:

Click on OK to proceed.
Connected successfully
Your personal folder is now accessible on Drive Z.
You may also access Drive Z by double-clicking
"My Computer" on the desktop and double-clicking
Drive Z.
Please don't forget to log off after your session.

## Step 4:

A window showing your network folder will now appear.
You may also access your network folder by going to
'My Computer' and double-clicking Drive Z.

Important: Please do not forget to shut down the computer after your session. Otherwise, your network folder and the files contained in it may be accessible to the next user.
