

# Statistica 14.1 Installation Guide

# **Prerequisite:**

- 1. Accomplish the <u>Statistica Request Form</u>.
- 2. Download the Statistica 14.1 from here.

## Steps:

- 1. This process should be done in the administrator account.
- 2. If you have an old version of Statistica installed on your computer, you need to uninstall it first before proceeding with the new installation.
- 3. After downloading, extract the zip file for the installer. Do not run the installer directly from the zip file.
- From the extracted installation file, double-click Statistica.exe.
