

Sanofi

Sanofi is dedicated to supporting people through their health challenges. We are a global biopharmaceutical company focused on human health. We prevent illness with vaccines, provide innovative treatments to fight pain and ease suffering. We stand by the few who suffer from rare diseases and the millions with long-term chronic conditions.

Products: Dulcolax, Buscopan, Pharmaton, Mucosolvan, Toujeo, Lantus, Lactacyd

Sanofi DOOR Internship Program

What is Sanofi DOOR?

This is a 300 to 500- hour internship program that provides a great opportunity for students to work with sanofi's world-class leaders and professionals. It allows students to gain understanding of SANOFI's business, processes and procedures by giving them the opportunity to work with cross functional business partners and involving them in real projects.

This internship offers the opportunity to:

- Work in a multinational pharmaceutical company
- Work collaboratively with our dynamic workforce
- Contribute to Sanofi's business by being involved in big projects
- Expand your knowledge and prepare you towards exploring the career choices that lie ahead of you
- Gain actual on-the-job training from some of the most experienced people in the company
- Have fun while learning!

We are looking for interns for the following functions:

- Marketing
- Corporate Planning
- Analytics/Statistics
- Finance and Accounting
- HR
- Communications and Corporate/Public Affairs.

Requirements:

Open to all 3rd or 4th year college students with good academic standing

Can render at least 300 hours (minimum)

Endorsement letter from Dean or school
