

Company name: Nestlé Philippines Cabuyao

Company background:

Over a hundred years after it first started operations in the country, Nestlé Philippines, Inc. (NPI) today is a robust and stable organization, proud of its role in bringing the best food and beverage throughout the stages of the Filipino consumers' lives. The Company employs 3,700 men and women all over the country, and is among the Philippines' top corporations. Its products are No. 1 or strong No. 2 brands in their respective categories.

Our purpose

Inspired by the scientific breakthrough of our founder, Henri Nestlé, guided by our values and with nutrition at our core, we work alongside partners to enhance quality of life and contribute to a healthier future.

Our ambitions

We have defined three overarching ambitions which will guide our work towards achieving our 2020 commitments and supporting the achievement of the UN Sustainable Development Goals.

Our history

We want to shape a better and healthier world. This was how we started more than 150 years ago when Henri Nestlé created an infant cereal that saved the life of a child.

Our values

Our values are reflected in the way we do business, always acting legally and honestly with respect both for our own people and those we do business with. Read more about our business principles.
