

Libraries

07 November 2017

BR. MICHAEL J. BROUGHTON FSC
Vice President for Lasallian Mission
De La Salle University

Dear Br. Broughton,

Now on its fifth year, the DLSU Libraries will be holding its annual information literacy campaign called **lamInfoSMART** with the theme "**Outgaming Misinformation: MIL (Media and Information Literacy) Does the Mending**" on **24, 27-29 November 2017, 9:00AM - 5:00PM** at the **Learning Commons, 6th Flr., Henry Sy, Sr Hall**. **lamInfoSMART** is a weeklong fair of exhibitions, learning sessions and interactive games which aims at honing student's information literacy (IL) skills and raising awareness on the importance of IL in their pursuit for academic and research excellence.

As part of the lamInfoSMART campaign of making every Lasallian information literate, one of the event's major activities is the **lamInfoSMART Amazing Race** which will be held on 24 November 2017. Based on the reality TV series, the contest will lead contestants to different sections of The Learning Commons, where they must perform various tasks in a race against other teams. This activity aims to teach students how to (1) determine the nature and extent of information needed; (2) find and locate the needed information effectively and efficiently; (3) evaluate information sources; and (4) use information ethically and legally.

In this regard, we would like to invite the Balays to send in one (1) group each, composed of three (3) members as participants/ contestants. We believe that the said activity would also support the Balay Program's objective of promoting communion in mission and fellowship among teaching and non-teaching personnel among its members and to foster camaraderie and enhance relationships among our members, in pursuit of our mission to strengthen our identity as Lasallians.

Anticipating your kind acceptance to this invitation. Please feel free to contact the undersigned should you have questions regarding the event.

Thank you.

Sincerely yours,

Mr. JOHN LOUIE T. ZABALA
Chair, lamInfoSMART 2017
