

2024 Annual Report

Foreword

This Fiscal Year 2024, we secured the approval of the Securities and Exchange Commission of our Application for Merger with DLSU Animo Labs Foundation Inc., with the DLSU Science Foundation Inc. as the surviving entity. This achievement served as a testament to the dedication and resilience of our Team, who persevered to achieve this significant milestone.

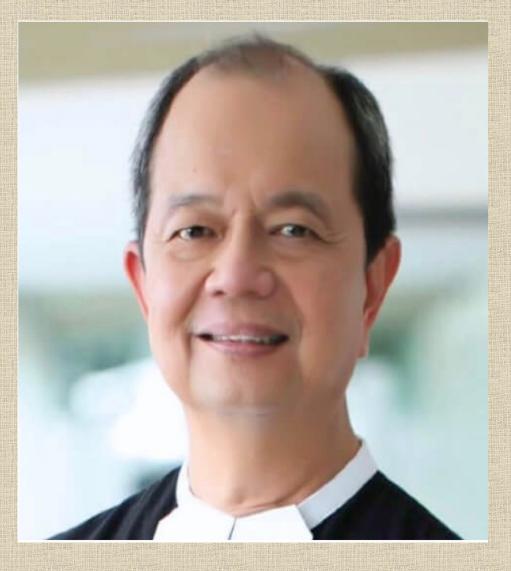

Our audited financial statement ending August 31, 2024, would show substantial growth in revenue brought by increase in our investment income and by continuous support in form of donation from Ang Family and other strategic partnerships with DLSU and DOST in support of scholarships, research, and development programs. Our net revenue soared by 51%, reflecting substantial donations received and the result of our commitment to operational efficiency and cost control. Our total expenditures showed a decrease of 28%.

With Animo Labs merged with SFI, we plan to continue exploring more key initiatives, e.g., expanding local and foreign partnerships for research collaborations and encouraging and engaging more start-ups.

Rest assured that the Foundation will continue its best to invest in research and development, foster strategic partnerships, embrace emerging technologies that will ensure sustainability, and continue to make a significant contribution to our national goals.

To all our benefactors, stakeholders, researchers, mentors, management, and staff personnel, I cannot thank you enough. Our success comes from your generous contributions and unwavering support, which enable our Foundation to have a significant impact on our community.

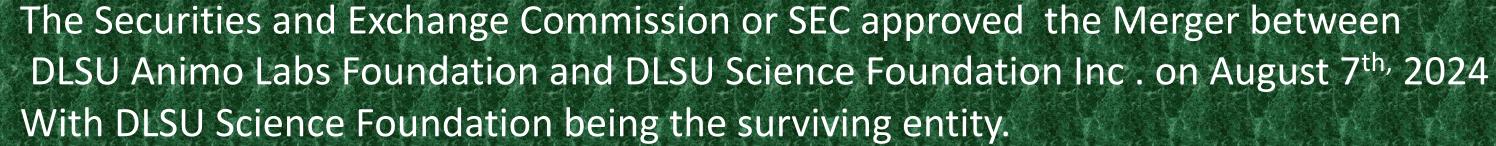

Animo La Salle!

Br. Raymundo B. Suplido FSC President

FY 2024 Key Highlights

23% increase in revenue due to increase in investment income and continuous support and donation from EDA Scholarships and Charities Inc. and The De La Salle University-Manila

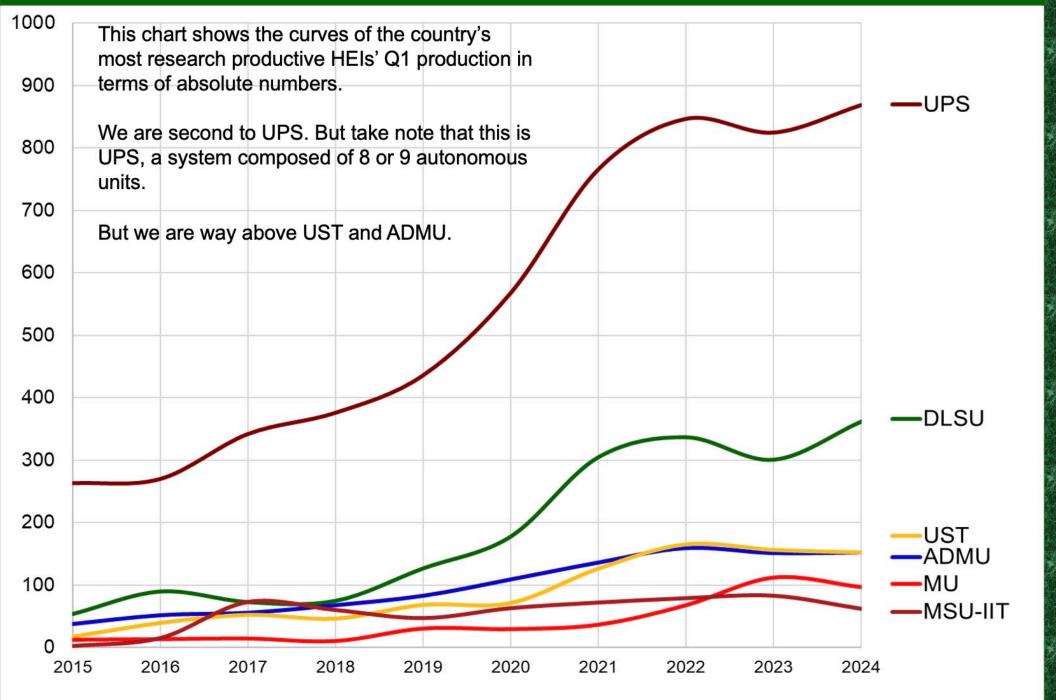

Expenses Optimization: a significant decrease of 28% for total expenses was due to strict compliance of 80-20 income utilization rule.

 \checkmark

Significant increase in net revenue by 51% was brought by the EDA donation with operational Efficiency and cost measures

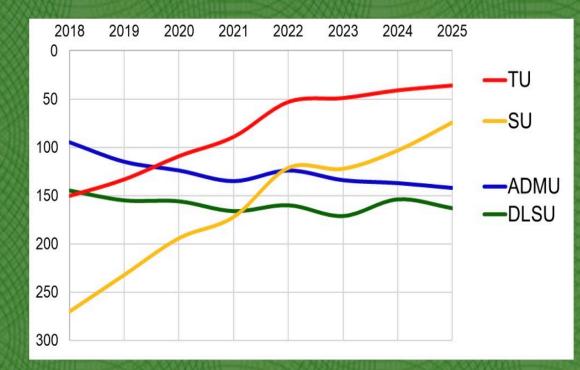

THE Q1 SCOPUS PUBLICATION PERCENTAGE'S OF OUR MOST RESEARCH PRODUCTIVE HEIS

By providing research incentives for DLSU faculties, DLSUSFI supports the University in its pursuit for most research productive HEIs not just among Philippine Universities but in Asian countries as well.

ADMU AND DLSU'S QS ASIA RANKS IN COMPARISON WITH TWO RISING MALAYSIAN PRIVATE UNIVERSITIES

This chart compares the QS Asia rank movements of DLSU and ADMU, together with two rising Malaysian private HEIs.

This chart shows how we are closing our gap with ADMU in the QS Asia ranking.

But the chart also shows how these two rising Malaysian private HEIs bypassed us both. As private HEIs, TU and SU can be our potential ASEAN benchmarks.

1st Tranche or 70,578 SQ. M. out of the 244,172 SQ.M. Lot property donation for the La Salle Botanical Garden Project from Nuevocentro, Inc. has been received. Awaiting E-CAR for the transfer of TCT.

The DLSBI and DLSUSFI and UT Foundation Inc. renewed their partnership and continued collaboration with MOA signing on August 15, 2023, held at La Salle Green Hills. The donor generously donated funds for the new batch of scholars, both for basic (Gr. 7-12) and tertiary education (four-year program) effective SY 2023-2024 enrolled in various La Salle institutions nationwide. We thank the UT Foundation Inc. for their unwavering support on our scholarship program.

From left: Br. Raymundo Suplido FSC, DLSUSFI President, Mr. Armando Alberto, UTFI Trustee, and Br. Jose Mari Jimenez, FSC, DLSBI President. Also in the 2nd picture were representatives from UTF Foundation and Officers and staff personnel of DLSUSFI and DLSBI.
