SUMMARY

Trained in the fields of accounting and economics, I am journeying towards building a career working with multilateral institutions, government agencies, top companies, SMEs, academia, and not-for-profit organizations. My current and previous work experience in the areas of government relations, market intelligence, stakeholder mapping and strategic planning, learning and development, digitalization, results-based management, independent evaluation, knowledge management, transport economics, human capital development, research, education, corporate finance, and accounting and auditing added value to my competence in public sector management, financial management, technology, capacity development, and other related areas.

EDUCATION

May 2011 –
Present

DE LA SALLE UNIVERSITY

Candidate, Doctor of Philosophy in Economics. Recipient, Ph.D. Research Apprenticeship Program (January 2013 – April 2020) Dissertation Theme: *“Essays on the Economics of Digitalization”*

May 2005 –
September 2008

DE LA SALLE UNIVERSITY

Master of Science in Accountancy. Consistent Full Academic Scholar, DLSU Scholarship and Financial Assistance Program. Recipient, Thesis Funding Grant by the International Society of Young Filipino Accountants (ISYFA) in California, USA.

Thesis: *“The Impact of Selected Corporate Governance Variables in Mitigating Earnings Management in the Philippines”*

June 1999 –
May 2003

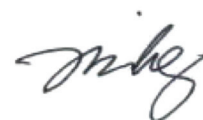

UNIVERSITY OF SANTO TOMAS

Bachelor of Science in Accountancy. Dean’s List, AY 2000-2001. University Finalist, Procter and Gamble Student’s Excellence Awards 2002. Recipient of Communitarian Award for Outstanding Teamwork, UST Student Awards 2000 and 2001. UST Quiz Contest Team Winner in 2000 (Silver), 2002 (Bronze), and 2003 (Bronze).

SURETWRITE (Sure-to-Write) Summer Research Write-shop 2011 Culminating Activity at Far Eastern University, Manila in coordination with the FEU University Research Center.

COMPLETED RESEARCH AND CONSULTANCY PROJECTS

June 2021 PHILIPPINE FINANCIAL SERVICES INDUSTRY REPORT: PUBLIC CLOUD SERVICES IN THE PHILIPPINES
A report submitted that highlights the financial services industry and regulation in the Philippines and current developments in the utilization and regulation of public cloud services in the country.

March 2021 FINANCIAL ANALYSIS AND FORECASTING TRAINING COURSE
Developed a training program for the above course commissioned by the First Pacific Leadership Academy (FPLA) and conducted the first run last 19 March 2021. Received outstanding evaluation from 100+ participants and FPLA.

June 2020 THE PHILIPPINES' CLOUD FIRST POLICY AND GOVCLOUD
A report submitted to Google Cloud highlighting the state of the Philippine's Cloud First Policy and the GovCloud infrastructure.

December 2019 ASIAN DEVELOPMENT BANK 2019 STAFF COUNCIL ANNUAL REPORT
The report summarized all the activities and initiatives undertaken by the ADB Staff Council, as well as analysis of results from the monitoring and evaluation of actions taken by the council on such initiatives.

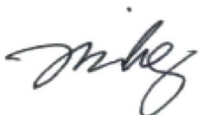

July 2019 PHILIPPINE ELECTRIC VEHICLE POLICY ANALYSIS REPORT
This report contains a policy analysis study on electric vehicles (EV) in the Philippines. It included a stocktaking of the global and local EV policies, programs and industry, local market modeling, cost and benefit analysis and program and policy recommendations

PHILIPPINE ELECTRIC VEHICLE POLICY ANALYSIS AND ROAD MAPPING
The project aimed at proposing a strategic adoption program for electric vehicles in the Philippines. This led to the production of the above report.

April 2019 STAKEHOLDER MAP FOR THE PHILIPPINE AGRICULTURE SECTOR
POLICY BRIEF: SAFE AGROCHEMICAL USE IN THE PHILIPPINES
A stakeholder and advocacy strategy map, as well as a policy brief, submitted to a confidential client to promote safe agrochemical use in the country.

November 2018	<p>STAKEHOLDER MAP FOR NATIONAL PAYMENT SYSTEMS IN THE PHILIPPINES</p> <p>A stakeholder map and advocacy strategy map was submitted to a confidential client in response to the signed National Payment Systems Act last October 2018.</p>
October 2018	<p>STATE-OWNED ENTERPRISE ENGAGEMENT AND REFORM</p> <p>The evaluation report highlights the recognition of the Asian Development Bank on the importance of state-owned enterprises to its developing member countries, and the need to support the strengthening of their governance, mitigate their fiscal impact, improve their operational efficiency and commercial viability, and improve consumers' access to quality and affordable services.</p>
April 2017	<p>REVIEW OF FINANCIAL REPORTING AND HOSPITAL INFORMATION SYSTEM OF TARLAC PROVINCIAL HOSPITAL</p> <p>Commissioned by the Provincial Government of Tarlac, the consultancy sought to identify potential issues and risk areas in the financial reporting and hospital information system of Tarlac Provincial Hospital. The study is geared towards implementing reforms in these processes.</p>
March 2017	<p>REPORT ON THE OBSERVATION ON THE CONDUCT OF 2016 ANNUAL SHAREHOLDER MEETINGS AMONG SELECTED SHAREPHIL-INVESTEES PUBLICLY-LISTED CORPORATIONS</p> <p>Funded by the Shareholders Association of the Philippines (SharePHIL), it studied several corporate governance practices during the annual shareholder meetings of listed companies and is aimed towards the effective participation of shareholders.</p>
February 2017	<p>BUSINESS PLAN FOR ENTRY INTO MOTOR VEHICLE FINANCING</p> <p>Developed a comprehensive business plan for a transportation company seeking to establish a motor vehicle financing facility that will allow more Filipinos to acquire their vehicles.</p>
January 2017	<p>BASELINE RESEARCH ON DISTRESSED WOMEN OFWs VENTURING INTO MICROENTREPRENEURSHIP (FIRST DRAFT)</p> <p>Wrote the first draft on the gathered primary data in Manila, Cebu, and General Santos, as well as secondary data on distressed women OFWs and their desire to own small and medium-sized businesses.</p>
November 2015	<p>SARI-SARI STORE TRAINING AND ACCESS TO RESOURCES: KAALAMAN SA PAGPAPAUNLAD NG NEGOSYO (COCA-COLA 2015 CHRISTMAS CONVENTION)</p> <p>Co-designed a technical session on financial management, store operations, customer relations, and inventory management to capacitate 4,000 store owners and general merchandisers from Naga City, Tacloban City, Cagayan de Oro City, and Bulacan in sustaining their</p>

micro-enterprises. Delivered the training to 1,000 women micro-entrepreneurs during its second run last November 25, 2015.

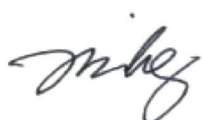

- September 2014 THE PHILIPPINE EXPRESS MARKET GROWTH STUDY 2013-2017
Under the auspice of the Wallace Business Forum, this study tackled the prospects of the Philippine express market industry for the years 2013-2017 and how the country can foster economic growth by anchoring on its competitiveness in this industry. My contribution to this project is the development of a forecasting model as well as providing research outputs.
- August 2014 THE STATE OF ADVOCACY FOR BUDGET TRANSPARENCY IN THE PHILIPPINES
Commissioned by the Center for Budget and Policy Priorities, this report presented the state of advocacy for budget transparency in the country in line with the implementation of the new Open Budget Survey Tracker by the International Budget Partnership.
- May 2014 OPERATIONS MANUAL OF THE DLSU JESSE M. ROBREDO INSTITUTE OF GOVERNANCE
This manual was funded by the Ph.D. Research Apprenticeship Program of the DLSU College of Liberal Arts. The manual helped the institute to streamline its operations, particularly in the organizing of events, back-to-office reporting, profiling, database creation for current and research projects and fellows, bidding and conduct of projects, documenting, and archiving completed and on-going projects, as well as document flow and management.
- September 2013 LOCAL GOVERNMENT CAPACITY AND COOPERATION ON DISASTER RISK REDUCTION AND CLIMATE CHANGE ADAPTATION
Funded by the Commission on Higher Education, the baseline findings of this project provided an understanding of the efforts of and capacity gaps among Philippine local governments to mitigate the adverse effects of disasters and climate change. It also highlighted the economic aspects of cooperation and collaboration focusing on risk reduction and adaptation strategies.
- June 2011 THE INFLUENCE OF CORPORATE BOARD CHARACTERISTICS ON FIRM PERFORMANCE OF PUBLICLY-LISTED PROPERTY COMPANIES IN THE PHILIPPINES
Funded by the FEU University Research Center, this study measured the influence of selected corporate board characteristics on two different measures of firm performance. It also highlighted insights drawn from interviews conducted with selected businessmen who have sat on corporate boards.
- March 2011 BOARD CHARACTERISTICS AND ITS IMPACT ON SHARE PRICES OF PUBLICLY-LISTED HOLDING COMPANIES IN THE PHILIPPINES

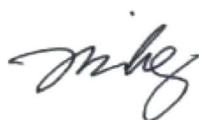

Funded by the FEU University Research Center, this paper tested the influence of five corporate board characteristics on the share prices of Philippine holding companies in consonance with promoting better corporate governance and greater shareholder value.

UNPUBLISHED GRADUATE COURSEWORK RESEARCHES PREPARED

August 2019	<p>NEW BUSINESS CREATION IN THE PHILIPPINES: THE ROLE OF INDIVIDUAL'S HUMAN CAPITAL TOWARDS ENTREPRENEURSHIP</p> <p>Using the tools in microeconomic analysis and data from the Global Entrepreneurship Monitor (GEM), this research sought to understand the role of human capital in new business creation since education fosters creativity and innovation and entrepreneurship is tagged as one of the engines of economic growth and development.</p>
August 2014	<p>A COLLABORATIVE ENGAGEMENT TOWARDS BRIDGING THE GAPS ON SUSTAINABLE DEVELOPMENT INITIATIVES OF BARANGAY 718, ZONE 78, CITY OF MANILA</p> <p>This project depicted the linkage between the academe, its surrounding communities, and sustainable development. It highlighted the role of academia in advocating for sustainable development among communities using the Barangay Development Plan as the implementing tool.</p>
April 2014	<p>FORECASTING PHILIPPINE MONTHLY INFLATION: A RE-ANALYSIS</p> <p>This research spins off from earlier studies using a rigorous process that employs a comprehensive set of forecasting techniques and a more complete time series data published by the Bangko Sentral ng Pilipinas (New Central Bank of the Philippines).</p>
December 2013	<p>ECONOMIC OUTPUT AND LAND USE FOR RICE PRODUCTION IN THE PHILIPPINES</p> <p>This project applied the fundamental input-output analysis to assess the possible consequences of increased economic output and land use to sustain rice production in the country. Implications of interdependencies related to continuous population growth, sustainable food production, and food security are also addressed.</p> <p>THE USE OF ROBUST HAUSMAN TEST IN LINEAR PANEL DATA REGRESSION MODELS</p> <p>This note used a more robust Hausman test to show that the test statistic is closely associated with random effects. This was verified by comparing traditional and robust Hausman tests and conducting a Monte Carlo simulation of the robust version of this test.</p>
August 2013	<p>HORSE M#%&*@! CAN WE STILL GROW MORE FOOD? ASSESSING THE EFFECT OF POPULATION GROWTH ON FERTILIZER CONSUMPTION</p>

	<p>This study attempted to measure the impact of population growth on fertilizer consumption with two (2) case studies: one in the ASEAN Region and the other in the Philippines.</p>
April 2013	<p>EXTRA RICE, PLEASE? PRICE SETTING FOR A “BOTTOMLESS” OUTPUT DEMAND</p> <p>This note applied microeconomic theory in determining the optimal price for a good with an uncertain quantity of demand.</p>
December 2012	<p>CALL ME MAYBE: THE IMPACT OF TELECOMMUNICATIONS ON ECONOMIC GROWTH IN THE ASEAN REGION</p> <p>This paper attempted to measure the impact of increased access in both fixed-line and mobile telecommunications on economic growth. It also proposed policies on increased access to telecommunications in remote areas in line with meeting the Objective 8.F of the Millennium Development Goals set by the United Nations.</p>
March 2012	<p>GOVERNMENT SPENDING ON PUBLIC EDUCATION AND HUMAN CAPITAL FORMATION</p> <p>This theoretical note analyzed the optimization model for government spending on public education to support human capital development, which is a major engine to foster economic growth.</p>
June 2008	<p>THE IMPACT OF SELECTED CORPORATE GOVERNANCE VARIABLES IN MITIGATING EARNINGS MANAGEMENT IN THE PHILIPPINES</p> <p>This landmark master’s thesis attempted to assess the impact of some corporate governance practices to restrain the manipulation of accounting income and to enhance the integrity of financial reporting in the country.</p>
April 2007	<p>ESSAYS FOR ACCOUNTING ENRICHMENT: A COMPENDIUM OF FOUR PAPERS</p> <p>This paper provided a discussion on the balanced scorecard, issues surrounding the development and use of the balanced scorecard, a case study on the balanced scorecard, and environmental management accounting.</p>
December 2006	<p>PROBLEMS IN FINANCIAL REPORTING OF JOLLIBEE FOODS CORPORATION</p> <p>This study identified certain financial reporting issues encountered by Jollibee Foods Corporation in the preparation and presentation of its 2005 financial statements.</p>
August 2006	<p>THE MISMANAGEMENT OF LONG-TERM CAPITAL MANAGEMENT</p> <p>This paper focused on a highly celebrated debacle involving the firm Long-Term Capital Management (LTCM) and their mismanagement of financial derivatives.</p>

EXCHANGE RATES IN THE PHILIPPINES: POLICIES FOR ECONOMIC GROWTH

This research highlighted the significant role of exchange rates in assessing Philippine economic growth and survival through a rigorous study of macroeconomic issues.

April 2006

A FINANCIAL ANALYSIS OF JOLLIBEE FOODS CORPORATION AND GOLDEN ARCHES DEVELOPMENT CORPORATION FOR THE YEARS 2000 – 2004

This paper compared the financial performance of two companies using their financial ratios and integrated new measures in assessing firm performance. It also provides a discourse on the Quick Services Restaurants (QSR) Industry to which the two companies belong.

THE DEVELOPMENT OF ANALYTICAL, COMMUNICATION, AND RESEARCH (ACR) SKILLS IN ACCOUNTING EDUCATION: PERCEPTIONS OF DE LA SALLE UNIVERSITY ACCOUNTANCY STUDENTS AND FACULTY MEMBERS

This study assessed the perception of DLSU Accountancy students and faculty members on the development of ACR skills to meet the required professional competence in the practice of Accountancy.

December 2005

PREDICTING STOCK RETURNS USING FINANCIAL RATIOS: EVIDENCE FROM SELECTED PHILIPPINE COMPANIES

This paper identified financial ratios that can predict stock returns among publicly listed companies in the Philippines.

August 2005

A STUDY ON THE FOREIGN OPERATIONS AND THE RESULTS OF OPERATIONS OF SELECTED PHILIPPINE COMPANIES

This research provided some statistical inferences on Philippine companies that have operations in other countries.

INVOLVEMENT IN OTHER RESEARCH PROJECTS

June 2021 - Present

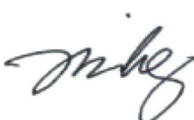

RESEARCH ASSISTANT, ASSESSMENT OF AGRICULTURE AND FISHERIES MODERNIZATION PROGRAM

Under the auspices of dissertation adviser Dr. Marites Tiongco, the study assesses the impact of the implementation of the Agriculture and Fisheries Modernization (AFMA) Act of 1997 on the Philippine agriculture and fisheries sectors.

April 2016 – June 2016

PROPOSAL WRITER AND CO-INVESTIGATOR, "PAMANA (PAYapa at MASaganang PamayaNan) PROGRAM REVIEW PROJECT" (Peaceful and Prosperous Communities)

This national monitoring and evaluation project assessed the effectiveness, efficiency, and responsiveness of the peace and development framework of the national government to promote conflict sensitivity, peace promotion, and economic development to

conflict-affected and conflict-vulnerable areas in the Philippines. The study covered 21 provinces across 5 PAMANA zones nationwide.

I led the writing of the proposal and managed the contracting activities as soon as DLSU was announced as the winner after the public bidding process that began in September 2014. Since then, my work has evolved in monitoring the coordination efforts of the National Project Team and initial data analysis.

June 2015 – June 2016 CO-INVESTIGATOR, “GOVERNANCE REFORMS: THE PHILIPPINE STATE IN AN OPEN AND INTEGRATED EAST ASIA

This study aimed at developing transparent and accountable governance systems and models based on the experience of the Philippines and East Asia. The output is hoped to enhance the essential functions of governments in ensuring political stability and consistency through constituency-responsive and participatory governance. It also aimed to rethink government capacity by crafting an effective political framework responsive to economic activity, while advocating for strategic leadership and global thinking.

April 2015 – June 2016 CO-INVESTIGATOR, “FINANCING FOR DISASTER RISK REDUCTION MANAGEMENT”

The project underscored the instruments that support the financing capabilities of local government units and the importance of inter-LGU cooperation towards building safe and resilient communities.

February 2015 – June 2016 CO-INVESTIGATOR, “LOCAL GOVERNANCE CAPACITY FOR DISASTER RISK REDUCTION”

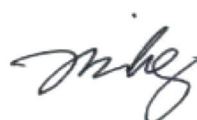

This project analyzed the capacity of local governments in terms of human resources and organizational development in dealing with disaster risk reduction and management in their respective areas. It focused on the planning capacities, organizational activities, incentives, and innovations being adopted to further enhance their abilities to respond in times of disasters.

CO-INVESTIGATOR, “FISCAL TRANSPARENCY REPORT FOR THE PHILIPPINES”

This report highlighted the contribution of citizen participation in fiscal transparency initiatives towards promoting better governance in the Philippines. It involved a detailed analysis of the instituted reforms such as Grassroots Participatory Planning and Budgeting, Budget Partnership Agreements, the Seal of Good Local Governance, People’s Budget, and the Citizen Participatory Audit.

August 2014 – June 2016 CO-INVESTIGATOR, “NATIONAL BUDGET AWARENESS AND LITERACY FOR LOCAL GOVERNMENT UNITS”

This project, in coordination with the Center for National Budget, aimed at building the capacities of local government officials in

understanding the national budget to lobby for legislative funding of development-oriented projects for their communities.

CO-INVESTIGATOR, "THE LOCAL DISASTER RISK REDUCTION MANAGEMENT FUND: THE CASE OF ILOILO"

This project aimed at answering research questions related to availability and use of the local disaster risk reduction management funds made available through the Full Disclosure Policy Portal (FDPP) to address capacity problems of local government units in disaster risk reduction and climate change adaptation.

RESEARCH-BASED WORK EXPERIENCE

January 2013 – June 2016	RESEARCH ASSOCIATE, JESSE M. ROBREDO INSTITUTE OF GOVERNANCE Acted as the institute's resident economic specialist; completed projects addressing economics-related governance issues; managed a PHP 4.5 million nationwide program review project to evaluate a government intervention to conflict-affected areas; co-led the preparation of proposals and bids for local and international funding; co-organized local and international events and advocacy programs; designed and prepared the operations manual of the institute.
--------------------------	--

ACADEMIC WORK EXPERIENCE

January 2021 - Present	PROFESSORIAL LECTURER, CENTRAL COLLEGES OF THE PHILIPPINES GRADUATE SCHOOL Mastered the use of online learning platforms in instruction and classroom management to ensure continuity of learning activities despite the Covid-19 pandemic.
------------------------	--

Taught (or currently teaching) the following graduate courses:

- Managerial Economics (Master in Business Administration)
- Mathematics and Statistics for Business and Economics (Master in Business Administration)
- Program/Project Management (Master in Public Administration)

January 2013 – September 2013	TEACHING ASSISTANT TO DR. FRANCISCO A. MAGNO, DE LA SALLE UNIVERSITY Assisted in the preparation and delivery of lectures for the Sustainable Development and Public Policy graduate classes (for Master of Arts in Development Policy and Ph.D. in Development Studies) handled by Dr. Francisco A. Magno, Director of the Jesse M. Robredo Institute of Governance.
-------------------------------	--

June 2012 – December 2012	CHAIR, ACCOUNTANCY AND FINANCIAL MANAGEMENT AREA (Interim Period, June – October 2012)
---------------------------	--

	<p>ASSISTANT PROFESSOR, COLEGIO DE SAN JUAN DE LETRAN</p> <p>Supervised the educational and operational activities of the area; forged partnerships with corporate institutions to bridge the academe and the industry; taught courses in finance and economics; pushed for the creative strategies to widen learning and improve teaching competence; enhanced the capacity of teachers on curriculum design; and organized and supervised committees to ensure the success of academic-related and institutional events.</p>
January 2011 – April 2011	<p>LECTURER, DE LA SALLE–COLLEGE OF SAINT BENILDE SCHOOL OF DEAF EDUCATION AND APPLIED STUDIES</p> <p>Assisted the Deaf students of DLS-CSB in exploring business opportunities and finalizing business plan through rigorous training in financial statement preparation, analysis, and computer applications, using Filipino Sign Language as the medium of instruction.</p>
June 2010 – October 2011	<p>FACULTY, FAR EASTERN UNIVERSITY</p> <p>Taught courses in Accounting, Finance, Information Management, Systems Analysis and Design, and Research; acted as adviser for thesis projects that received the Top 5 citation; completed two funded studies in corporate governance, firm performance, and disclosure studies; served as a coach for the FEU team that won 2nd runner-up in a national business competition.</p>
October 2009 – October 2010	<p>OFFICER-IN-CHARGE (Interim Period, October 2009 – March 2010)</p> <p>FACULTY, LA SALLE COLLEGE</p> <p>Supervised the educational and operational activities of the unit, developed a rationalized budget program to re-engineer the curriculum and to upgrade instructional materials; taught courses in Financial Accounting, Financial Management, and Auditing; systematized the administration of examinations and internship program that improved the school's CPA exam performance by 20%.</p>
September 2008 – September 2009	<p>ASSISTANT PROFESSORIAL LECTURER, DE LA SALLE UNIVERSITY</p> <p>Taught undergraduate courses in Finance and Accounting and a graduate course in Econometrics; facilitated the institutional course on Personal Effectiveness; conducted studies in accounting and acted as adviser/panelist on researches in corporate governance, value-based management, financial reporting, and financial engineering; assisted in preparing proposals for potential funding grants.</p>
June 2005 – March 2007	<p>LECTURER, UNIVERSITY OF SANTO TOMAS</p> <p>Taught Basic Accounting, Management Accounting, and Operations Management courses; served as a committee member in the community development initiatives of these institutions.</p>
November 2004 – March 2005	<p>ASSISTANT PROFESSORIAL LECTURER, DE LA SALLE UNIVERSITY–DASMARIÑAS</p>

Taught Basic Accounting to Agribusiness and Computer Science students.

PROFESSIONAL EXPERIENCE AND CONSULTANCIES

- June 2021 - Present RESULTS MANAGEMENT ANALYST, DEVELOPMENT EFFECTIVENESS (LEVEL 2), ASIAN DEVELOPMENT BANK
In this assignment, I am providing the Results Management and Aid Division (SPRA) of ADB with high quality technical expertise in mapping, statistical and economic analysis, and compilation of results delivered under the seven operational priorities of the Strategy 2030. I am also contributing written analytical inputs to SPRA reports that will form the basis for preparing the Annual Development Effectiveness Review (DEfR) and other requests related to results measurement.
- March 2021 - Present DESIGN, DEVELOPMENT, AND IMPLEMENTATION CONSULTANT, FIRST PACIFIC LEADERSHIP ACADEMY
I am providing technical expertise to FPLA in the design, development, and implementation of their corporate university projects and open-to-the-public programs. It started when I was tapped to design and deliver its first offering of the Financial Analysis and Forecasting program, having attracted 100+ participants from the public and private sector and received exemplary evaluation remarks.
- July 2020 – March 2021 SENIOR RESEARCH COORDINATOR, ASIAN DEVELOPMENT BANK
Reporting to the Sustainable Development and Climate Change Department-Knowledge Advisory Services Center (SDCC-KC), my work contributes to an ADB technical assistance aimed at strengthening developing member countries' (DMCs) institutional capacity to address development issues by providing country-specific knowledge support.
- As a Senior Research Coordinator, I was responsible for the following:
- (i) Conducting detailed mapping and analysis of ADB sovereign projects and knowledge products and services showing alignment with country knowledge plan and country partnership strategies;
 - (ii) Providing support in tracking the progress of country knowledge plans in the country partnership strategies and list of knowledge products and services in the country operations business plans of DMCs covered by the TA;
 - (iii) Designing surveys and questionnaires for knowledge needs assessment;
 - (iv) Contributing inputs to the planning and delivery of country knowledge consultations; document, report, and present research/mapping findings to the TA team and other teams within ADB, as necessary;

- (v) Working independently work on presentations and reports as required, presenting key findings and lead coordination activities within the team and with partners; and
- (vi) Performing other TA related work that may be assigned by the Senior Operations Coordination Specialist (Innovation and Knowledge) in SDCC-KC.

July 2019 – December 2019

STAFF COUNCIL CONSULTANT, ASIAN DEVELOPMENT BANK

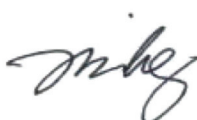

I provided technical assistance to the ADB Staff Council (SC) in various areas through research on personnel economics-related and HR/organizational development areas, gathering information from comparators (including international financial institutions (IFIs) and Federation of International Civil Servant's Association (FICSA) members), doing the research cycle and value chain analysis, and proposed ways to support the effectiveness/efficiency agenda of the SC. Also, I conducted intelligence and background work for the council meetings and assist the SC in the pre- and post-event activities of the Annual General Meeting including the preparation of the Annual Report, Work Plan, and other formal reports. I also co-organized the most successful Conference of Staff Associations of International Financial Institutions (COSIFI) to date, with participants coming from 9 IFIs around the world.

September 2018 – June 2020

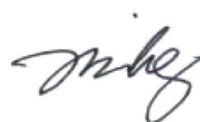

EVALUATION CONSULTANT (QUANTITATIVE METHODS), UNITED NATIONS DEVELOPMENT PROGRAMME

Under the tutelage of the Strategic Monitoring and Evaluation (M&E) project by the Philippine National Economic Development Authority (NEDA) and UNDP, I performed the following tasks:

- (i) Prepare terms of reference for evaluation projects identified by NEDA-UNDP;
- (ii) Conduct risk analysis on proposed projects and quality assurance (QA) assessment on evaluation reports while providing advice to improve reporting quality;
- (iii) Review the application of quantitative, statistics, and data science methods on evaluation reports;
- (iv) Provide technical advice in other evaluation studies in pursuit of the Strategic M&E to Accelerate the Philippine Development Plan for 2017-2022;
- (v) Facilitate management response and action planning workshops of stakeholders in response to the results of evaluation studies;
- (vi) Facilitate strategic planning for future evaluation projects including advocacy and communication; and
- (vii) Continuously engage with evaluation reference groups (ERGs), government implementing agencies, local government units, UN agencies, and other stakeholders.

- September 2018 – January 2019 CONSULTANT (ELECTRIC VEHICLES MAINSTREAMING PROJECT), DE LA SALLE UNIVERSITY CENTER FOR ENGINEERING AND SUSTAINABLE DEVELOPMENT RESEARCH
The project aims to provide policy guidance on the mainstreaming of electric vehicles in the Philippines. I studied the effect of the proposed mainstreaming policy on various sectors in the Philippine economy using input-output analysis and other research and measurement tools in economics, and some applications of benefit-cost analysis.
- July 2018 – July 2021 GOVERNMENT RELATIONS CONSULTANT (PHILIPPINES), PS-ENGAGE SINGAPORE
Conducted market intelligence through engagement and research in the areas of regulation, economic, and political issues with an emphasis on e-commerce, cybersecurity, and technology. Also, I provided regular and *ad hoc* technical support on special projects related to Philippine markets. These include facilitating government relations with industry associations, stakeholder mapping, and policy analysis to address issues on the national payment system, agriculture, cloud computing, micromobility, telecommunications, and other related topics.
- Co-produced the following consultancy reports, among others:
1. Distributed Ledger Technology in the Philippines
 2. Cloud Adoption for Digital Banking in the Philippines
 3. Philippine Tax Updates in the Light of COVID-19
 4. 2022 Presidential Elections Analysis
 5. The State of Micromobility in the Philippines
 6. Digital Economy Taxation Bill
 7. Philippine Clean Network Initiative
 8. Brick Road Initiatives in the Philippines
 9. WhatsApp Usage in the Philippines
 10. PEEST (Political, Economic, Environmental, Socio-Economic, and Technological) Analysis of Agriculture in the Philippines
 11. The Philippine Agricultural Sector
 12. Analysis of selected proposed regulations that may have an impact to the Asia Internet Coalition
- May 2017 – December 2018 CONSULTANT, ASIAN DEVELOPMENT BANK
PROJECT: SUPPORT TO LOCAL GOVERNMENT ACCOUNTABILITY SYSTEMS (TA 9041)
Position: Public Financial Management Capacity Development Expert
Department: Southeast Asia Department
Period: May 2018 – December 2018 (Initial phase)
(i) Assessed the competency gaps for Standardized Examination and Assessment of Local Treasury Service (SEAL) Levels 1 and 2 through an extensive methodology to review the subject areas, curriculum, and past exam results;

- (ii) Identified training requirements and options for SEAL Levels 1, 2 and 3;
- (iii) Developed a training module for SEAL 1; and
- (iv) Developed a proposal for an E-Learning system and training options taking into account the above areas.

PROJECT: ANNUAL EVALUATION REVIEW 2018

Position: Additional Technical Support Provider

Department: Independent Evaluation Department

Period: December 2017 – January 2018

- (i) Provided technical support to the team through efficiency analysis of implemented ADB projects in 2009;
- (ii) Processed portfolio data to identify improvements for the sustainability and efficiency of implemented ADB programs and projects in 2009.

PROJECT: REVIEW OF STATE-OWNED ENTERPRISE ENGAGEMENT AND REFORMS

Position: HQ National Research Associate

Department: Independent Evaluation Department

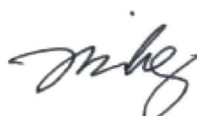

Period: May 2017 – June 2018

- (i) Collected and processed State-Owned Enterprise (SOE) data from various ADB databases and project documents across the different sectors and financing modalities;
- (ii) Processed SOE portfolio data to analyze trends in portfolio change (for example sector mix, program vs project-based loans, sovereign vs non-sovereign loans) and project complexity;
- (iii) Reviewed relevant ADB policy and strategy documents, relevant staff instructions, and relevant portions of operations manuals;
- (iv) Undertook desk reviews of selected SOE projects and technical assistance to gauge the scope of work, and identify insightful lessons and good practices;
- (v) Prepared assessment sheets for selected ADB-approved projects and technical assistance;
- (vi) Compiled relevant information on SOE support programs, priorities, strategies/policies of other multilateral development banks; and
- (vii) Carried out other tasks and providing other research, analysis, and reporting of other specific issues relating to the evaluation study.

March 2017 – April 2017

CONSULTANT, PROVINCIAL GOVERNMENT OF TARLAC

Performed an independent review of the financial reporting and hospital information systems (HIS) of their provincial hospital to identify key risk areas; conducted physical observation, review of technical documents, and key informant interviews to discuss issues

on reporting of income and expenses, the Philippine Commission on Audit memorandum to the Provincial Government, the governance structure of the provincial hospital, and HIS management including the processing of PhilHealth claims and inventory management; provided sound technical advice on improving their processes through segregation of duties, access controls, physical audits, documentation and reconciliations, and approval authority; wrote a final report to document the findings and proposed courses of action.

March 2017 – Present

PROPRIETOR, M.R.S. BANDERLIPE BUSINESS SOLUTIONS

An independent consultant since 2014, I registered my practice in 2017 to provide consulting services on accounting, taxation, and management advisory to small-scale businesses; technical advice on improving business operations and capacity-building activities; and conducts research, training, and consulting activities, some of whom are listed below:

Research Consulting:

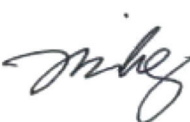

- (i) Baseline research on distressed women OFWs towards becoming micro-entrepreneurs (First draft);
- (ii) Research on improving the conduct of shareholder meetings towards better corporate governance;
- (iii) Statistical analysis on the study of Philippine express markets; and
- (iv) Research methods and statistical consulting in accounting research for the industry and the academe.

Business Consulting:

- (i) Business planning for entry into motor vehicle financing industry;
- (ii) Preparation of management accounting reports for SMEs;
- (iii) Operations planning for the proposed national association of micro-entrepreneurs; and
- (iv) Review of accounting course ware design and marketing plan for its adoption among K-12 institutions, with technical advice on action research and consumer satisfaction studies agenda.

Capacity Building:

- (i) Design and delivery of a technical session on financial management to 1,000 women micro-entrepreneurs in the Visayas, with the training material benefited 4,000 micro-entrepreneurs during its 2015 run;
- (ii) The World Bank's Open Development Initiative Training at DLSU;
- (iii) Design, Pedagogy, and Assessment Workshop on the Accountancy, Business, and Management Strand of the K-12 Program to Basic Education Teachers;

- (iv) Revision of the course syllabus of two Financial Management courses under the Expected Lasallian Graduate Attributes (ELGA) approach using the Understanding by Design (UbD) framework; and
- (v) Business research and development consulting for professional training and international certification programs.

July 2016 – October 2016

LEARNING AND DEVELOPMENT SUPERVISOR, KPMG PHILIPPINES
Co-spearheaded the rebuilding of the Learning and Development Unit; co-led the implementation of technical and soft-skills training programs for audit, tax, and advisory professionals; managed the company's training management system (TMS) to monitor the attendance and time charging of KPMG professionals in their training programs; led a special project team that eliminated the 6-month backlog of the TMS; co-supervised the planning, scheduling, roll-out, and post-activity evaluation of learning programs.

August 2014 – September 2014

CONSULTANT, THE WALLACE BUSINESS FORUM
Conducted a study on the Philippine express markets; liaised with the Philippine Statistics Authority for data gathering activities; performed analytical procedures and co-wrote the final report.

October 2011 – February 2012

BUSINESS RESEARCH AND DEVELOPMENT CONSULTANT, EXCELCIA KNOWLEDGE INSTITUTE, INC.
Provided consultancy services to its programs and operations, resulting to a 100% increase in the number of clients; designed and delivered the initial training modules in accounting and finance that are included in the preparation workshops offered by the company; collaborated with the President in the preparation of reports submitted to regulatory agencies.

August 2007 – February 2008

ASSISTANT MANAGER FOR CORPORATE FINANCE, UNICAPITAL INC.
Provided financial advisory services for private placement and raising of the equity of shipping, beverage, and property companies; led a team that won a Php10 million underwriting project for an Initial Public Offering of securities; performed financial modeling and analysis for negotiated large-scale loan agreements and other consulting projects.

May 2004 – October 2004

ACCOUNTANT, PANASONIC INDUSTRIAL ASIA PTE. LTD.
Handled the accounts payable, data management, inventory management systems, tax filing, and administrative functions; participated in the actual conversion from BAAN IV software to SAP Enterprise towards improving transaction processing and control systems.

November 2003 – May 2004

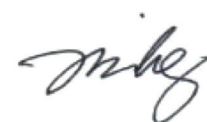

ASSOCIATE AUDITOR, SYCIP, GORRES, VELAYO, & CO. (ERNST AND YOUNG PHILIPPINES)

Engaged in all significant aspects of the independent audit of various companies, with a concentration on hotels, utilities, and manufacturing industries; was lauded for providing technical advice to improve the client's operations and internal controls; assisted in major engagements covering real estate, automation, and telecommunications industries.

PROFESSIONAL ACTIVITIES, ENGAGEMENTS, AND BRAND AMBASSADORSHIPS
