The School of Lifelong Learning (SoLL)

in cooperation with the

Dr. Andrew L. Tan Data Science Institute (ALTDSI)

cordially invites you to a Certificate course on

Data Visualization-Non Technical Track

Unlock the power of data by transforming raw numbers into compelling visual stories with our "Data Visualization" course offered by the Dr. Andrew L. Tan Data Science Institute in collaboration with the School of Lifelong Learning.

Course Overview:
This 24-hour course focuses on turning complex data into clear and interpretable graphics. Participants will learn to design and create effective data visualizations based on available data and specific tasks. The course covers a wide range of topics, including the principles of visual design, the selection of appropriate colors, and the creation of interactive visualizations. Additionally, participants will evaluate visualization designs, ensuring their work is both accurate and impactful.

Schedule: July 12, 19, 26, 2025
Time: 9:00 AM to 12:00 NN; 1:00 PM - 4:00 PM A 2-hour self-study session is allotted for after.
Modality: Face-to-face

Venue:
Venice Corporate Center - McKinley Hill Campus, BGC Taguig City.

Course fee: P20,000.00 - Regular Rate *(Deadline of payment is on or before May 30, 2025)* *(Training fee is net of all applicable tax. No withholding tax should be deducted from this investment cost)*

This course is **OPEN TO THE PUBLIC.**

Course Orientation:
The course orientation will commence during the first hour of Day 1.

Don't miss this opportunity to enhance your data science skills. Enroll now and take the first step towards becoming a data-savvy professional!
