

VCRI RESEARCH GRANTS 2016-2017 FOR RETIRED UNIVERSITY FELLOWS

Description

The Office of the Vice Chancellor for Research and Innovation invites research proposals. These proposals must be implemented over a twelve-month timeframe. The output must be written and eventually disseminated.

Eligibility

An applicant for the Research Grants is open to all retired University Fellows who are not currently employed by DLSU (retired University Fellows who are teaching part time at DLSU may apply for regular URCO-funded projects).

Awards

All applications will be screened by a committee composed of the VCRI, the URCO Director, and the President of the University Fellows. Applications that will pass such screening will be awarded a maximum of PHP 200,000.00 grant.

Application Requirements

All applications must include:

1. Information on the researcher (contact and background information, including current curriculum vitae).
2. Abstract of the proposed research project.
3. Statement of how the research advances the state of knowledge in the field.
4. Research proposal (limited to 7 single-spaced pages) that addresses the following:
 - a. Problem statement/policy issue and its importance
 - b. Theoretical or conceptual framework for the research
 - c. Review of literature
 - d. Research questions
 - e. Description of methodology including proposed dataset and criteria for selecting the sample, selection of variables and rationale for using them, and analytic techniques
 - f. References cited in the proposal

Application Process

Proposals for Research Grants may be submitted at any time to the following office.
